Salutations....

Despite the paucity of snow, there is still the hint that the Holiday Season is upon us, which means it is time for a mini-missive. We would feel remiss if we did not share the office opening dates with you, so if you would like to gift yourself pre-Holiday treatments or skin care products, we will be at your service until closing on December 21st.

Otherwise, January 3rd will be our next availability in office, when we should be the picture of rest and relaxation, Ho, Ho, Ho...

We feel highly honoured and fortunate to have the very special and extremely enriching relationships with you, and we look forward to continuing so for a long time to come. We wish you all the very best, the contentment, the happiness, and the sheer joy that you so very deeply deserve.

Be kind to yourself and yours,

Cheers,
KJD and JBD
